

COMPETITORS GANG UP AGAINST HUGHES PAINT CO.

Attempting to Deprive Public of Sensational Bargains

Hughes apologizes to its customers for being temporarily out of stock on some items.

In order to comply with a new California law, we have been forced to sell unlimited quantities of items which we advertised at **BELOW COST PRICES**. These have been bought up in huge quantities by a few competitors.

SOME EXAMPLES OF THESE ARE:

150 TOILET SEATS TO ONE "CUSTOMER"

834 DESCOWARE SKILLETS TO ONE "CUSTOMER"

200 TRANSISTOR RADIOS TO ONE "CUSTOMER"

250 TRANSISTOR RADIOS TO ONE "CUSTOMER"

700 CANS OF SPRAY ENAMEL TO ONE "CUSTOMER"

232 ROLLS OF BAMBOO FENCING TO ONE "CUSTOMER"

Despite this situation, the Hughes Paint Company pledges **THAT NO GENUINE CUSTOMER** will be disappointed in getting any item he wants at the Hughes advertised price.

We promise that we will continue to offer you sensational buys and will not be stopped by a few competitors.

(Signed)
